

BLUEGAME

BG62

We are proud to present this stunning, rugged and sporty 2021 Bluegame BG62, presented in immaculate condition with low running hours, to the market. What do you get when a renowned Olympic sailor designs a powerboat to be built under the umbrella of luxury shipyard Sanlorenzo? The result is a motoryacht unlike any other, a so-called "sport utility yacht" that can go anywhere and can handle all sea-states, whilst still remaining elegant, poised and comfortable. The Bluegame BG62 concept is by Luca Santella (former Olympic sailor for Italy), the naval architecture is by Lou Codega (famous for designing tough American offshore sportfishing boats), and the design is by Zuccon International Project (multi-award winning naval design studio), resulting in a motoryacht designed to make days at sea exciting yet relaxing, sporty yet comfortable. Fitted with upgraded Volvo IPS1350 (1000hp per side) engines, the BG62 is blessed with a well-above-average power to weight ratio, which shows itself in how such a large and solid yacht manages to leap forward at even a gentle nudge of the throttle. When asked how this particular yacht handles, the Captain smiled widely and said "...she drives so well, handles the water smoothly, and even speeds over 30 knots feel effortless.." In terms of soft touches and equipment, this sleek Italian yacht is fitted with beautiful carbon helm seats, Raymarine navigation aids, a full galley including induction cooktop, along with a BBQ grill and multiple outdoor social areas. The BG62 sleeps 4 in a comfortable two cabin and two heads layout. If another berth is needed, the saloon dining table can be converted to a bed. Tropical air-conditioning will keep you cool at night, and a Seakeeper 9 stabiliser will keep the yacht nice and stable while you dream about tomorrow's adventures at sea. This particular BG62 is also fitted with a crew cabin (with toilet and air-conditioning). Kept in "like new" condition by her incredibly caring owner and full-time crew, this 2021 Bluegame BG62 sport utility yacht is ready for viewings in Hong Kong. Please contact us if you would like more details.

Overview

Builder:	Bluegame
Model:	BG62
Year:	2021
LOA:	19 m / 62 ft
Beam:	5.4 m / 17.6 ft
Draft:	1.4 m / 4.6 ft
Engine:	2 x Volvo IPS1350 1000hp
Speed (Cruising/ Max):	27 / 38 kn
Fuel tank capacity:	2800 l
Water tank capacity:	650 l
Location:	Hong Kong

Specification
