22 Knots

**BATHROOMS**  
3 + 1 Crew

# PRINCESS S72

## SEALORD

*Her space inside and out is remarkable. Glazed doors fold away to open the deck saloon and cockpit into a one level social area. The sunroof only enhances her sense of space. Below deck, there are three en suite cabins, including the full-beam master stateroom, which like the rest of the S72, is exquisitely finished.*
