Description

2007 Sunseeker Predator 72

Location: Hong Kong

Price: USD 770,000.00

This 2007 Sunseeker Predator 72 (With a hull number of 2008) is currently berthed in Hong Kong, asking for USD 770,000.00.

This single deck sport cruiser is the pinnacle of the sport cruiser segment with its classic sleek profile line and amazing sea performance. Being taken care well by its current owner, this recently refitted yacht is in immaculate condition. The price of the yacht is higher than its market price, but wait until you see the boat then you will understand the effort owner has put on her.

The yacht was built with a hull registered in 2008 and has two MAN engines with direct shaft gearbox configuration (1,550 HP each) with around 1,080 hours on the clock (as of Q3 2024).

The sporty look of hers does not compromise the social space it can offer. There is an outdoor dining area and an indoor dining area inside the saloon. The lower deck is where the cabins are, but it also provides abundant space for cooking in the galley. The yacht has 3 cabins in total: 1 Master, 1 VIP, and 1 Guest room with 2 single beds.

An outdoor sun-lounging space is located in the bow area, and if you do like water sports, you would appreciate the high-low platform at the back, which allows you to load and unload a jet-ski for extra fun in the water.

A great example of this popular yacht is available immediately. For viewings and further information, please contact us.

Remark: The jetski in this advertisement is not included in the sale of the vessel.
